---

# Ongoing Romanization Table Review

Revised  
procedural  
guidelines  
implemented  
in May 2021

Result of  
collaboration  
of LC, CC:DA  
and CC:AAM

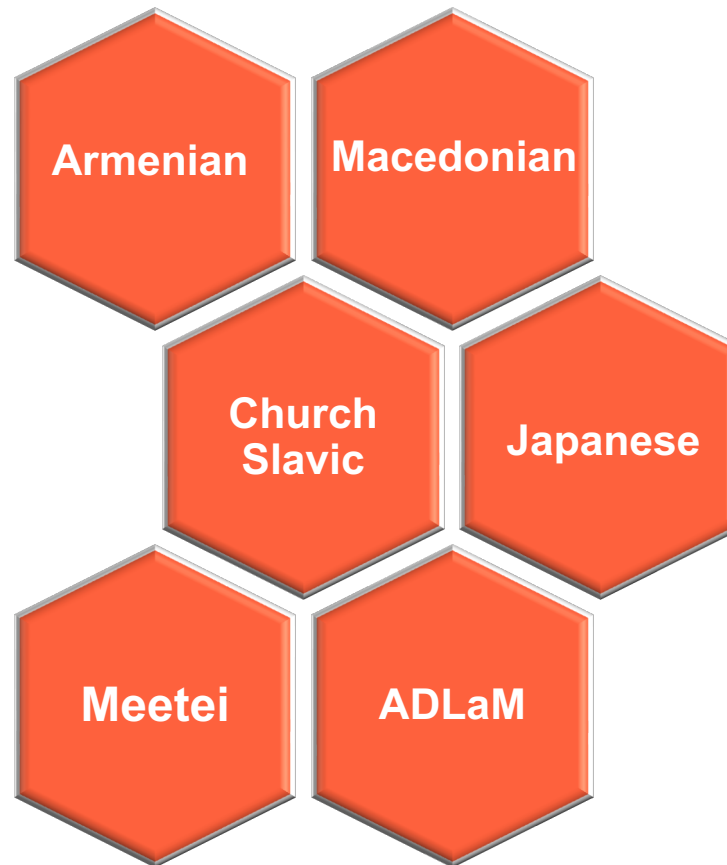

Leverage  
language and  
subject  
expertise in  
the community

Proposals for  
creating new  
tables based on  
bibliographic  
warrant

Impact of file  
maintenance of  
legacy records  
considered

---

# Ongoing Romanization Table Review

---

# ALA-LC Romanization Tables Versioning

**Include year in  
file name of  
PDF and doc  
files**

**Add versioning  
to older  
versions of  
tables**

**Add changes  
document for  
each  
romanization  
table**

---

# Term Structure of Review Board Members

Members appointed by CC:DA and CC:AAM serving on the Review Board do not need to be committee representatives

The appointed members will serve a two-year term on the Review Board with the possibility of renewal.

The appointed members should serve on a staggered schedule for the purpose of continuity.

The Review Board will determine the staggered tenures before June 2023

---

# Romanization From Machine-Friendly Point of View

**Romanization  
needed for  
key  
bibliographic  
data**

**Faciliate with  
the BIBFRAME  
development**
